

VISITING QATAR SCIENCE & TECHNOLOGY PARK

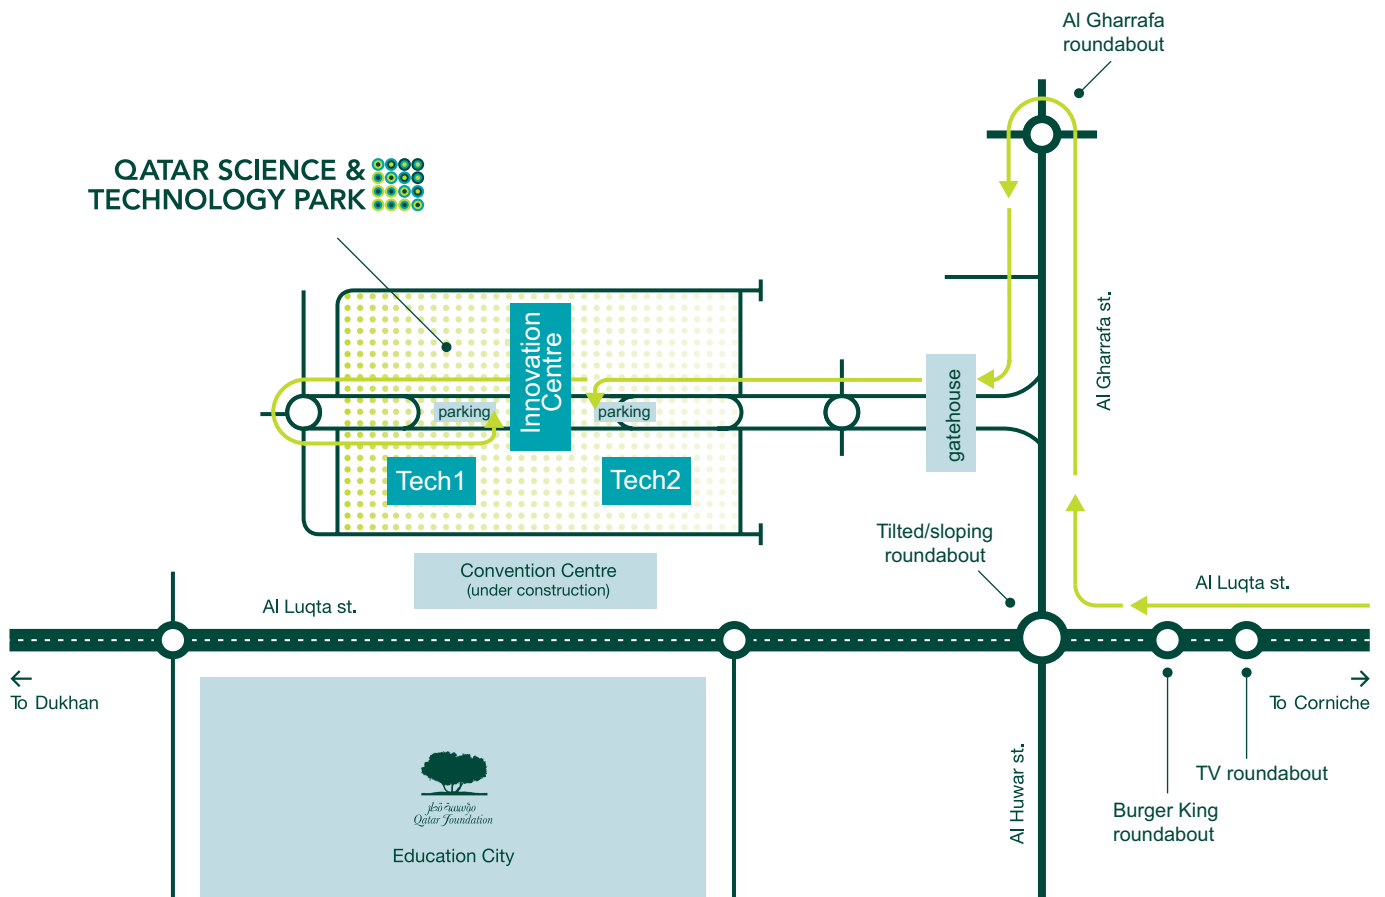

This pamphlet explains how to arrange your visit, directions to QSTP, and what to do once you arrive.

ARRANGING YOUR VISIT

QSTP is not a public site, and visits must be arranged in advance.

The company that you are meeting with at QSTP will register your visit through our visitor booking system. This will ensure that when you arrive at the security gate you will be recognised and allowed entry without delay.

Qatar Foundation security passes and car permits are not valid at QSTP. Visits by staff of QF and its centres must also be arranged in advance.

DIRECTIONS

From the Corniche,

1. Take Al Luqta st. to Education City (via TV and Burger King roundabouts)
2. At tilted/sloping roundabout turn right
3. At the first roundabout (Gharrafa) make a U-turn
4. Take the second right, which is the entrance to QSTP
5. After clearing the gatehouse, go straight ahead to the "dome" visitor car parks

ON ARRIVAL

Once you have parked in one of the two “domed” visitor carparks, enter the Innovation Centre, take the elevator to Floor 2, and sign-in at the red reception desk. You will receive your security pass and directions to your meeting.

- 1 Clear QSTP security gate
- 2 Park in one of the two visitor carparks
- 3 Enter Innovation Centre and take elevator to Floor 2
- 4 Sign in at red reception desk
- 5 Receive directions to meeting

ON SITE

QSTP is a secure site and visitors will be provided access only to certain designated zones. To see the full QSTP site it would be necessary to arrange this in advance with your host.

On arrival you will be provided with a map of the QSTP site, which will provide details of amenities such as cafes, washrooms and prayer rooms.

ABOUT QSTP

QSTP is a home for technology-based companies from around the world, and an incubator of start-up enterprises. We provide premises, services and support programs that help organisations to develop and commercialise their technology.

With us at Qatar Foundation are campuses of Carnegie Mellon, Texas A&M, Weill Cornell and other leading universities. Among our first proud members are EADS, ExxonMobil, GE, Microsoft, Shell and Total.

By bringing research and business together, QSTP is spurring the development of Qatar’s knowledge economy.

WE LOOK FORWARD TO YOUR VISIT
